

To maintain the highest integrity and transparency across the QBCC, the quarterly report of 'Reportable Gifts and Benefits' provides a comprehensive view of all reportable gifts and benefits offered to the QBCC and its staff.

Quarter 4 2021 identifies increased reportable gifts and benefits in both the 'Under \$150' and 'Over \$150' categories. It's expected that numbers of gifts and benefits offered to QBCC workers will continue to fluctuate as the organisation continues to adjust and normalise workplace processes and functions following the onset of COVID restrictions since 2019.
