

ABOUT THIS FORM

Contractors and nominee supervisors who hold both the 'Fire protection - electrical stream - install and maintain - fire alarm systems' class and an Electrical mechanic work licence, may apply to rely on their experience as an alternative to completing upskilling requirements.

To be eligible, the licensee must apply before 1 November 2021 and demonstrate that they have, for at least 6 months, carried out work that is the installation and maintenance of the inputs, outputs and controls associated with fire detection systems or emergency warning and intercom systems.

Please note that the upskilling requirements will remain in force unless the QBCC provides written notice stating that the person is taken to meet the upskilling requirements.

PRIVACY NOTICE

The QBCC is collecting information on this form to determine whether you are entitled to a licence. This is authorised by the *Queensland Building and Construction Commission Act 1991*. Please refer to our Privacy Policy for full use and disclosure details. All information held by the QBCC may be subject to application for access under the *Right to Information Act 2009 (RTI Act)*.

RETURN YOUR COMPLETED FORM AND ALL DOCUMENTS BY

Post: GPO Box 5099 Brisbane QLD 4001

In person: QBCC service centres are listed on our website qbcc.qld.gov.au.
