5. PROVISIONAL LICENSING - DO YOU FIT ONE OF THESE SCENARIOS?

QBCC may decide to grant you a provisional licence if you meet any of the scenarios listed below. A provisional licence allows you to work lawfully in the industry and gain the required practical experience to eventually work without supervision.

Tick the box provided if you fit one of the following scenarios.

- I have the required technical qualification, but I don't believe I have the practical experience required.
- I don't have the required technical qualification, but I believe I have sufficient practical experience to carry out the work under the supervision of a licensed plumber and drainer.
- I hold a current interstate or licence from another country.
- I have the qualification and the practical experience for the licence, but I'm unable to provide my qualification or prove my experience.

If you fit one of these scenarios, you are not eligible for a full licence. However, you may be eligible for a provisional licence and should pay the provisional licence application fee prescribed by legislation. Do not complete Part B of this form as it is not required for a provisional application.

IMPORTANT NOTE – a provisional licence can only be granted for 1 year and cannot be renewed. If you have previously been granted a provisional licence and are seeking another one, you must make a new application for the licence. The QBCC will only grant the provisional licence if it is satisfied that you continue to meet the eligibility requirements for a licence of this type. The QBCC will not grant a provisional licence if you meet the legislated requirements for a full licence.

PLUMBERS, DRAINERS AND RESTRICTED LICENCES FEES

EFFECTIVE 1 JULY 2021 - 30 JUNE 2022

Applying

QBCC may issue a Provisional licence for Plumbers, Drainers and Restricted Licensees. If you have been issued a Provisional licence you will need to reapply each year.

Note: QBCC may grant you a Provisional licence to obtain 12 months lawful experience post apprenticeship. Once you have 12 months lawful experience under a Provisional licence then you can apply for an Occupational Plumber, Drainer or Restricted licence.

If you are applying for a Plumber, Drainer or Restricted licence with lawfully gained experience, you will need to pay an administration fee of \$71.40 in addition to the application fee. You have the option of paying for a licence from 1 to 5 years.

See Application Fees (inc. Administration Fee) below to find out what fee to pay with your application.

If you have already applied for another plumbing and/or draining licence within the same financial year, you don't need to pay the administration fee. Please see Application Fees (excl. Administration Fee) to locate the correct payment.

Renewing

You will receive a reminder notice every year and you can renew your licence from 1 to 5 years. In most cases you'll need to pay an amount which includes the administration fee. However there are exceptions. For example; provisional licensees cannot renew and will need to reapply.

See **Renewal Fees** below to find out what you need to pay.

Restoring

If your licence has expired you will need to pay the additional fee of \$78.15 to restore your licence. You can only restore your licence within 1 year after the day the licence expired. If you have not restored your licence within 1 year after the day the licence expired, you will need to reapply. See the Restoration Fees table below.

Please note: If you apply for, renew or restore a Plumbing and Drainage Occupational Licence and you apply for or hold an associated QBCC contractor, nominee supervisor or site supervisor licence, you no longer have to pay a Plumbing and Drainage Occupational Licence application or renewal fee.

For more information go to qbcc.qld.gov.au.
