

Recommendations in relation to placing greater emphasis on reporting requirements in relation to Gifts and Benefits received/offered, resulted in revised reporting requirements which place clear obligations on all staff to declare all gifts and benefits. This includes quarterly publications of gifts and benefits that were offered, retained or declined for items below and above \$150.

In pursuit of greater integrity and transparency across the QBCC, the quarterly report provides a comprehensive view of reportable gifts and benefits offered to the QBCC and its staff.

Quarter 4 2020 identifies an increase in numbers of reportable gifts and benefits from Quarters two and three in the 'Under \$150' category as Queensland and QBCC returned to more 'normal' operational processes following the earlier Covid-19 restrictions on movement and meetings.
