PART B (to be completed by the employer)

4. EMPLOYER DETAILS

Surname

First names

Company Name (if applicable)

Business Address

State Postcode

Work phone

Mobile

Email

5. PRACTICAL EXPERIENCE POST-QUALIFICATION

Plumbers who have completed qualifications through an apprenticeship are required to have at least one year's *practical plumbing experience* after completion of the qualification. Where the qualification was **NOT** completed through an apprenticeship, four years practical plumbing experience after completion of the qualification is required. *Practical plumbing experience* means performing a wide range of plumbing work relative to the competencies within the Certificate III in Plumbing.

Period of employment / / to / /

Please select the competencies as appropriate to identify the plumber's practical plumbing experience for the period of employment stated above.
