

Building Services Authority **COMMUNITY SERVICE ANNOUNCEMENT**

3 March 2009

Learn more about subsidence... for FREE!

It's not too late to register for BSA's FREE subsidence seminar.

The BSA urges contractors in the area to spend a couple of hours at the seminar, learning how to avoid subsidence problems on their jobs.

Subsidence defects are very costly and difficult to fix. The seminar may teach you things that could save you time and money.

The seminar will run on 18 March from 4:30pm – 6:30pm at Cairns City Library.

To book your place, phone BSA on 1300 BSA BSA or visit www.bsa.qld.gov.au.
