## **BSA allows CMC Cairns Pty Ltd to resume work on three building sites**

After discussions with the administrators, the Building Services Authority (BSA) this morning permitted CMC Cairns Pty Ltd to recommence work on three Cairns building sites, BSA General Manager Ian Jennings said.

Mr Jennings said the sites were Botanical Apartments on Collins Avenue, Edge Apartments on Lake Street and 516 Mulgrave Rd, Earlville.

“It should be noted that BSA’s permission to resume work on these sites was given to CMC Cairns Pty Ltd while it is in voluntary administration,” Mr Jennings said.

“Any continued trading by CMC Cairns Pty Ltd under a deed of company arrangement will be subject to further approval.

“This further approval will be dependent on the outcome of BSA’s fit and proper investigation into CMC Cairns Pty Ltd’s directors, a successful application by the directors to be categorised as permitted individuals, and a deed of company arrangement that BSA considers appropriate, or an alternate arrangement acceptable to BSA.”
