Trueline Aluminium Pty Ltd goes into administration in Rockhampton and on the Gold Coast

The Building Services Authority (BSA) has been advised that Trueline Aluminium Pty Ltd, operating in Rockhampton and on the Gold Coast, entered into voluntary administration today.

BSA General Manager Ian Jennings said Peter Lucas of PA Lucas & Co had been appointed Administrator.

“The BSA is aware of approximately 34 incomplete projects in Rockhampton and 25 on the Gold Coast,” he said.

“The BSA has held discussions with the director of Trueline Aluminium Pty Ltd and Peter Lucas and will work with the administrator to ensure the best possible outcome for consumers, subcontractors and suppliers.”

Mr Jennings said sub-contractors, suppliers and anyone else owed money by Trueline Aluminium Pty Ltd should contact David Arnold of PA Lucas & Co on 3232 5200.

“The BSA will write to consumers to inform them that the company has been placed in administration, and to inform them of their possible entitlements under the BSA’s Home Warranty Insurance Scheme,” Mr Jennings said.
