## **Bush and Beach Homes Pty Ltd face exclusion action**

The Queensland Building and Construction Commission (QBCC) has cancelled the licence of Bush and Beach Homes Pty Ltd.

The QBCC Interim Commissioner Kellie Lowe said that the Commission took the action last Thursday and the individuals in charge of the company now face exclusion action.

“We had initially suspended the licence of Bush and Beach Homes on 29 July immediately upon hearing of the company’s financial position,” Ms Lowe said.

“Fortunately, the QBCC’s Home Warranty Scheme will enable home owners contracted with the company to have their homes completed by other builders if their claims are approved.”

The QBCC believes it has contacted all affected home owners, however anyone with concerns about incomplete or defective work performed by Bush and Beach Homes Pty Ltd are encouraged to call the QBCC 24/7 on 139 333.

Sub-contractors and suppliers who believe they are owed money by Bush and Beach Homes Pty Ltd should contact the appointed liquidators, Paul Eric Nogueira and John William Cunningham of Worrells Solvency & Forensic Accountants on (07) 5459 1000.

Please note, Bush and Beach Homes Pty Ltd is based in Peregian Beach (licence number: 1252812) and should not be confused with licensed organisations and businesses with similar names.
