DISCUSSION PAPER - FINANCIAL REQUIREMENTS FOR LICENSING

8 July 2005

The Queensland Building Services Board has endorsed five proposed amendments to existing financial requirements for licensing. The Board now seeks input from industry and related stakeholders on the impact of the proposed amendments.

A Discussion Paper has been prepared detailing the nature of the proposed amendments and their impact on industry and the community generally.

Please note that comments are due by close of business on Friday 19 August 2005.
