New Workplace and Farm Safety Laws

The Department of Industrial Relations has developed a series of [fact sheets](#) that explain how the new laws affect your business.

The changes to the Queensland workplace health and safety laws aim to reduce the significant human and business cost of workplace incidents by improving safety standards, capturing a greater range of construction activities and improving national consistency.

For further information, download a copy of the [fact sheets](#) or contact Workplace Health and Safety Queensland on 1300 369 915.
