- 16.5 Any increase in the **Contract Price** as a result of the variation can not be required to be paid before work the subject of the variation is started.
- 16.6 The Contractor must give the Owner a readily legible signed copy of the Variation Document within 5 **business days** after the variation is agreed and before the variation work is commenced.
- 16.7 If the Contractor has requested the variation, the Contractor is only entitled to additional payment if the variation was necessary because of circumstances that could not have been reasonably foreseen by the Contractor when the Contract was entered into.

17. Extension of time

- 17.1 Subject to complying with Condition 17.2, the Contractor may only claim and is entitled to a reasonable extension of the **Date for Practical Completion** if:

- 17.5 Delay or failure by the Owner to agree to an extension of time does not cause the **Date for Practical Completion** to be set at large, but the Contractor shall be entitled to damages arising from the unreasonable rejection of all or part of a claim for an extension of the **Date for Practical Completion**.

18. Liquidated damages

- 18.1 If the Contractor fails to achieve **Practical Completion** of the **Contract Work** by the **Date for Practical Completion**, then the Contractor must pay to the Owner liquidated damages calculated at the rate provided in Schedule Item 10.
- 18.2 Liquidated damages may only be deducted by the Owner from the amount payable to the Contractor in respect of the **Practical Completion Stage**. If the Owner's entitlement to liquidated damages exceeds the amount payable to the Contractor for the **Practical Completion Stage**, the excess may be recovered by the Owner as a debt due to the Owner by the Contractor.

WARNING TO OWNER

20. Termination after notice of default

- 20.1 If either party is in **Substantial Breach** of this Contract, the party not in breach may give the other party a written notice identifying and describing the breach and stating the intention to terminate the Contract if the breach is not remedied within 10 **business days** from the giving of the notice.
- 20.2 If the **Substantial Breach** is not remedied within 10 **business days** of receipt of the written request to remedy the breach, the party not in breach may end this Contract by giving written notice to that effect.
- 20.3 If the Contract is terminated pursuant to this Condition the Owner must pay the Contractor the reasonable value of any work properly carried out by the Contractor prior to that termination which has not been the subject of previous payment.

21. Termination for bankruptcy or liquidation

- 21.1 Notwithstanding Condition 20, should either party be made bankrupt or, being a company, go into liquidation, then the other party may, by giving a written notice, immediately terminate this Contract.

WARNING TO OWNER AND CONTRACTOR

New legislation effective from 1 July 2018 makes it illegal to terminate a contract with a company solely because they have gone into voluntary administration, appointed a receiver/managing controller or entered a scheme of arrangement with creditors. For this reason (and the probable loss for Owners of non-completion protection under the Qld Home Warranty Scheme if you terminate your Contract incorrectly), it is very important that you obtain formal legal advice before terminating the Contract for any reason.

22. Practical Completion

- 22.1 The Contractor must give to the Owner 5 **business days** prior written notice of the date upon which the Contractor anticipates that the **Contract Work** will reach **Practical Completion**.
- 22.2 On the date specified in that notice as the anticipated date on which the **Contract Work** will reach **Practical Completion**, the Owner or the Owner's authorised representative will inspect the **Contract Work** and if satisfied that the **Contract Work** has reached **Practical Completion**, and if the Contractor produces to the Owner satisfactory written evidence that all relevant inspections and approvals required by the *Sustainable Planning Act 2009* and the *Building Act 1975* and by any body having the relevant jurisdiction have been satisfactorily completed, the Contractor must:
- (a) compile with the Owner, or the Owner's authorised representative, and sign the QBCC Form 5 - *Defects Document* and give a copy to the Owner; and
 - (b) hand over the **Contract Work** to the Owner.
- 22.3 If the Owner considers that the **Contract Work** has not reached **Practical Completion** the Owner must as soon as practicable give the Contractor written notice of those matters which are required to be done for the **Contract Work** to reach **Practical Completion**. The Contractor must carry out such matters as may be necessary for the **Contract Work** to reach **Practical Completion** and must otherwise proceed in accordance with the preceding paragraph.
- 22.4 When the Contractor has satisfied all of its obligations under Condition 22.2 the Owner must immediately pay the Contractor the progress claim for the **Practical Completion Stage** (as adjusted under Condition 18, if applicable).

23. Defects after completion

- 23.1 The Contractor shall make good any defects or omissions in the **Contract Work** which become apparent to the Owner within 12 months of the **Date of Practical Completion**.

23.2 If there are any such defects or omissions, the Owner must, as soon as practicable after becoming aware of the defects or omissions, give the Contractor written notice to make good such defects or omissions and must give the Contractor reasonable access to the **Site** for that purpose.

23.3 Subject to reasonable access being provided, the Contractor must within 28 calendar days of the notice being given rectify any defects or omissions notified to the Contractor under Condition 23.2 during usual business hours.

24. Notices

- 24.1 Any notice under this Contract must, unless otherwise stated, be given in writing and sent to the party to whom the notice is to be given at the address stated in the Schedule, or such other address as is subsequently advised in writing, in one of the following ways:
- (a) delivered to the other party by hand; or
 - (b) delivered by prepaid post to the address noted in the Schedule; or
 - (c) sent by facsimile to the facsimile number noted in the Schedule; or
 - (d) sent by email to the email address noted in the Schedule.
- 24.2 Any notice sent by post is deemed to be given at the time when by the ordinary course of post it would have been delivered.
- 24.3 Any notice sent by facsimile is deemed to be given at the time when a valid transmission report is received by the sender.
- 24.4 Any notice sent by email is deemed to be given in accordance with the following provisions:
- (a) the notice is deemed given at the time the email is sent provided it is sent before 5.00pm on a **business day** at the place of receipt on the day it is sent and otherwise on the next **business day** at the place of receipt, provided:
 - (i) the sender's computer or email account does not receive a message that the message has not been delivered (including an 'out of office' message); and
 - (ii) the email has been received fully and in legible form by the receiver; and
 - (iii) the receiver has not advised the sender in writing that a notice cannot be given to them by email for the stated period.
