

ABOUT US

OUR ROLE

The Queensland Building and Construction Commission (QBCC) is Queensland's building and construction regulator. Our mandate is to independently regulate the building and construction sector, and efficiently manage the Queensland home warranty insurance fund (the Queensland Home Warranty Scheme).

We are an independent statutory body established under the *Queensland Building and Construction Commission Act 1991* (QBCC Act) governed by the Queensland Building and Construction Board (QBC Board). Our responsible Minister is the Honourable Mick de Brenni MP, Minister for Energy, Renewables and Hydrogen and Minister for Public Works and Procurement. The QBCC is responsible for regulating the building and construction industry, while the Department of Energy and Public Works (DEPW) assists the government to develop and progress the government's policy.

Led by a Commissioner, our vision is to be a regulator that 'builds trust and confidence in all we do'. Our overarching strategies contribute to the Queensland Government's Objectives for the Community, with a focus on 'Supporting jobs', 'Building Queensland', and 'Backing small business'.

OUR STRATEGIC PLAN

The QBCC 2020-2024 (revised for 2021-22) Strategic Plan, which this Annual Report relates to, lays out four strategic objectives, associated strategies, and the performance measures which we use to determine if we are achieving the objectives.

A further discussion of our performance is contained in the following chapters of this Annual Report. Our Strategic Plan also details the risks that could hinder achievement of our objectives, and the opportunities that could assist us in achieving them. The Strategic Plan makes it clear that our staff matter and commits us to always putting the welfare of our people at the forefront of all we do.

In carrying out our work, the QBCC values the following behaviours in our staff:

- professionalism
- integrity
- accountability
- teamwork
- customer focus.
