

Queensland Home Warranty Scheme Premium Table

For renovations, alterations, additions, repairs, extensions, or the construction of a related roofed building such as a shed, carport or similar, or the construction of a swimming pool

Premiums include GST. For work on, or on the site of a multiple dwelling, refer to the QBCC website to determine whether notional pricing applies. If notional pricing does **not** apply, the premium payable is based on the entire insurable value. Where notional pricing **does** apply, a premium is payable for each residential unit, with the premium payable for each unit calculated by dividing the entire insurable value by the number of units.

For the Insurable Value: any amount over the \$1,000 threshold requires payment of the next level premium.
